11.17	<p><b>Forfeit Affected Positions</b></p>
	<p>If 2 or more teams finish level on competition points and any of those teams were involved in a forfeited match in the round games, the forfeit may cause some obvious problems.</p> <p>When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in final calculations. Similarly for the other teams that finish on equal points, they will have the 'for and against' from the forfeited team deducted from their total. For teams involved in competing against teams on 2 occasions during the tournament, the calculations for the benefit of this rule will be corresponding game in each round.</p> <p><b>EXAMPLE:</b>  Team C – forfeits to Team A in game 3 (first round)  Team A – wins 5-0 on forfeit  Team B – defeats Team C 5-1 in game 4 (second round)</p> <p>If after the round games the 'for and against' is  Team A – 50 for and 10 against (+40)  Team B – 60 for and 20 against (+40)</p> <p>The above results would be recalculated with the result being  Team A – 45 for and 10 against (+35)  Team B – 55 for and 19 against (+36)</p> <p>Therefore, Team B would gain the higher position.  For the purpose of keeping record, if a forfeit occurs, the non-offending team will be rewarded with the 5-0 win and 3 competition points. The offending team will receive no competition points and a score of 0-5 against their record.</p>
	<p>This section only deals with forfeited affected positions for non-offending teams.</p>
	<p>The team causing the forfeit will have their calculations treated as normal. They have been penalised by receiving no competition points for the match they forfeited.</p> <p><b>NB:</b> Forfeits for any reason in the final series will negate the forfeiting teams right to participate further in the tournament.</p>
11.18	<p><b>Determining Positions for Finals Series</b></p>
	<p>The team finishing higher on the ladder will determine positions for the final series. If teams are equal on points at the completion of the rounds the following measures will be used to decide the higher team.</p>
	<p><b>1<sup>st</sup> DIFFERENCES</b>  The difference is determined by subtracting the total of tries scored 'against' from the amount of tries scored 'for'. The team with the higher difference will obtain the higher position.</p> <p><b>EXAMPLE:</b>  Team A scores 50 for and 10 against  Team B scores 40 for and 10 against</p> <p>By subtracting the 'against' from the 'for', Team A would be '+40', whilst Team B would be '+30'. Team A would therefore obtain the higher position.</p>

	<p>If teams have the same 'difference' the percentage system would then apply.</p>
	<p><b>2nd PERCENTAGES</b>          If this system is used, it is easily explained that if the difference is in the 'plus' situation, the team with the least amount of tries scored against them would obtain the higher position.</p> <p>However, if the 'difference' is in the 'minus' situation, the team who has scored the most tries (for) would obtain the higher position.</p> <p>The percentage system is calculated by placed tries 'for' over tries 'against' and multiplying by 100 over 1.</p> <p><b>EXAMPLE:</b>          Team A = <math>\frac{50}{10} \times \frac{100}{1} = 500\%</math>                      Team B = <math>\frac{60}{20} \times \frac{100}{1} = 300\%</math></p> <p>Team A would obtain the higher position.</p> <p>If the above systems are unable to decide the outcome, the ROUND game result will be used.</p>
	<p><b>3rd ROUND GAME</b>          The team winning the round game would obtain the higher position. If the teams had a draw in the round then ladder adjustments would be required.</p>
	<p><b>4th LADDER ADJUSTMENTS</b>          The ladder will be adjusted in the following manner:</p> <ol style="list-style-type: none"> <li>1. Results removed against the team in the last position, then if the ladder is still equal</li> <li>2. Results removed against the team in second last position, then if the ladder is still equal</li> <li>3. Results removed against each opposition within the ladder from lowest to highest position until a point of separation</li> </ol>
	<p><b>5th DROP OFF</b>          If all of the above systems are unable to decide the outcome, the DROP OFF will be used.</p>
	<p><b>Cross Pool Determination</b>          For some events, teams may be split into uneven pools (IE pool A has 7 teams, pool B has 6 teams and pool C has 6 teams).</p> <p>The <b>Points Per Average</b> system may be used to determine which team(s) will be progressing to and within the Finals Series of the relevant tournament.</p> <ol style="list-style-type: none"> <li>1. <b>Points Per Average</b> (Points Per Average is determined by the total competition points accrued divided by amount of games played); then</li> <li>2. <b>Differences and Percentages</b>; then</li> <li>3. <b>Ladder Adjustments</b>; then</li> <li>4. <b>Drop Off</b></li> </ol>
11.19	<p><b>Finals Series</b></p> <p>Will be determined by the final number of accepted team nominations. The format for the final series will not be posted until such time as the draw has been finalised.</p> <p>Teams from within the NSW country regions, IE Southern Suns and Northern Eagles will be eligible for the final series.</p> <p>Teams from within the NSW Sydney regions, IE Rebels, Mets and Scorpions are ineligible for the final series. For these teams, the tournament will conclude after the last round game. Round of 16 games (if played) are considered part of the finals series.</p>

At this time, any blood stained clothing must also be either cleaned or replaced.  If the player does not leave the field immediately, the referee will stop the game and ask the player to leave the field (normal substitution rules apply).  Once the flow of blood has been stemmed, the cut or abrasion cleaned and covered and any blood stained clothing and equipment cleaned or replaced, the player may return to the field and continue play.  If bleeding cannot be controlled and the wound securely covered, the player must not continue in the game.
11.22	<b>Concussion</b>

	<ul style="list-style-type: none"> <li>• Any fact, circumstance, matter or thing beyond the reasonable control of Hornets</li> </ul>
11.24	<p><b>Weather</b></p> <p><b>Weather Affected Matches</b> Rescheduling of rounds affected by weather will be moved to the next available timeslots, fields or rounds (where practical). Hornets reserves the right to organise the affected games in whatever format will assist the games to occur in as equal conditions as possible.</p> <p><b>Rescheduling of Matches</b> If due to any other extraordinary circumstances that a game cannot be completed to full time, the game may be rescheduled as soon as possible at a time and on a ground arranged by the Tournament Director in consultation with both teams.</p> <p>If the game has commenced, and cannot continue to 50% completion, the following will apply:</p> <ol style="list-style-type: none"> <li>1. The game will start from the beginning and must be completed up to the regulation full time.</li> <li>2. The score will commence at 0-0.</li> </ol> <p>Any game that has 50% or more time completed, will be considered complete with the score at that time deemed to be the final result of the game. If due to time constraints or any other reason a game cannot be rescheduled, games that did not continue to 50% completion will be abandoned and a 0-0 score will result.</p> <p>When any type of weather affects a finals series, where games need to be cancelled, the top team in each pool will be awarded joint champions.</p> <p><b>NB</b> Hornets reserves the right to judge and adjust to suit the conditions as required. For events that play in a non-break try turnaround format, half time will be deemed as 50% of the time left in the match.</p> <p><b>HOT WEATHER</b></p> <ol style="list-style-type: none"> <li>1. <b>36 degrees +</b> Play/competition will be postponed or cancelled.</li> <li>2. <b>31 – 35 degrees</b> Play/competition will be interrupted at 10 minute intervals for a minimum period of 2-5 minutes during which time rest, drinks/cooling techniques and facilities should be used by all officials and players involved.</li> <li>3. <b>30 degrees</b> Communication of heat stress management strategies/warnings of possible risk.</li> </ol> <p><b>HEAVY RAIN</b> Play/competition will be suspended until hazard clears. If it continues to rain heavily during that time, play/competition may be suspended until further notice.</p> <p><b>LIGHTNING/THUNDERSTORMS</b> When lightning is considered to be a possible or actual threat, the following procedures will be applied:</p> <ol style="list-style-type: none"> <li>1. Method of determining the distance to the storm cell will be to measure time elapsed from when lightning flash is observed and when the associated thunder is heard. The</li> </ol>

	<p>distance will be determined by using the following rule: distance (Km) = time from observing flash to hearing thunder (in 3 seconds)</p> <p>The Hornets Tournament Director reserves the right to organise the affected games in whatever format will assist the games to occur in as equal conditions as possible.</p>

	<h2>SECTION 12: RULES</h2>
12.1	<p>Hornets conduct events under the rules and conditions of the Touch Football Australia 8<sup>th</sup> Edition Rule Book, the General Conditions of Entry as well as the tournament specific Conditions of Entry.</p> <p>Hornets may also have variations of these rules which are outlined in this section or in the Event specific CoE.</p>
12.2	<p><b>Drop Off Procedure</b></p> <p>Hornets will utilise the following drop off procedure in line with <b>TFA 8<sup>th</sup> Edition Rules</b>, at all Hornets tournaments. It should be noted the drop off procedure is only used in final series games where a definitive outcome is necessary:</p> <p><b>The Drop Off Procedure</b></p> <ol style="list-style-type: none"> <li>1. When the match is drawn at the expiration of full time, the referee will wait until the ball is dead, halt play and then signal to tournament control that the match is drawn. Each Team will reduce their on-field Team to four (4) players and within 60 seconds take up a position to restart play from the Halfway Line, defending the same end of the field as at the End of Play. The Drop-Off commences with a Tap from the centre of the Halfway Line by the Team that did not commence the match with Possession.</li> <li>2. Recommencement will be signalled by tournament control.</li> <li>3. The Drop-Off will commence with a two (2) minute period of extra time.</li> <li>4. Should a Team be leading at the expiration of the two (2) minute period of extra time then that Team will be declared the Winner and Match complete. Should neither Team be leading at the expiration of two (2) minutes, a signal is given, and the match will pause at the next Touch or Dead Ball. Each Team will then remove another player from the Field of Play.</li> <li>5. The Match will recommence immediately after the players have left the field at the same place where it paused (i.e. the Team retains Possession at the designated number of Touches, or at Change of Possession due to some Infringement or the sixth Touch) and the Match will continue until a Try is scored.</li> <li>6. There is no time off during the Drop-Off and the clock does not stop at the two (2) minute interval. Substitution during the Drop-Off is permitted in accordance with normal Interchange Rules.</li> </ol> <p><b>NB</b> The drop off procedure <b>will not</b> be used in under 8s and 10s games. Winners for these games will be determined by awarding 3 points for the first try scored and 2 points for every try scored thereafter. If the result is 0-0, the team finishing higher on the ladder will be awarded the premiership.</p>
	<p>The only change to the procedure will be in the <b>Mixed Divisions</b>.</p> <ol style="list-style-type: none"> <li>1. Teams may have no more than (2) males on the field during the Drop-Off.</li> <li>2. In the case of a male player serving time in the Sin Bin at the commencement of the Drop-Off the offending Team will start with no more than one (1) male on the field. Where a male player has been dismissed for the remainder of the match, the offending</li> </ol>

	<p>Team will be permitted to have no more than one (1) male on the field for the duration of the Drop-Off.</p> <ol style="list-style-type: none"> <li>3. At the commencement of the Drop-Off, if there is a player serving time in the Sin Bin and is yet to complete the required time, their Team commences the Drop-Off with one (1) less player on the field than their opposition and continues to play with one (1) player less until the Sin Bin period has been completed. At the commencement of the Drop-Off, if a Team has had a player dismissed for the remainder of the match that Team continues to play with one (1) player less than the opposition Team for the duration of the Drop-Off.</li> <li>4. For the avoidance of doubt for clause 3, the non-offending Team will retain a numerical advantage on the Field of Play during the Drop-Off.</li> </ol>
	All other rules to the drop off remain unchanged.
12.3	<b>Substitution and Sub Box</b>
	<p>All interchanges must occur at or within the teams interchange area and only after the substituted player has crossed the boundaries and entered the Interchange area. All interchanges must be made on one side of the field and without delay.</p> <p>Physical contact is not necessary between interchanging players. Players leaving or entering the field shall not hinder or obstruct play and must enter from an onside position. Following the scoring of a touchdown whilst the play is dead, players may interchange at will without having to wait for the substituted player to enter the interchange area.</p> <p><b>RULING</b> - A penalty awarded to the non-offending team 5 metres infield from where the substituted players left the field or where the substituting player entered the field whichever is the greater advantage.</p>
	<p><b>NB</b> Any player found to have left the sub box to become involved in a melee, brawl or fight may be dealt with in the following way.</p> <p>If in the referees view a player/s or official/s leaving the sub box engages in activities that would not under normal circumstance of general game play warrant being sent off, they should:</p> <ol style="list-style-type: none"> <li>1. Record the number of the player(s) leaving the sub box to become involved in a melee or brawl or fight,</li> <li>2. Advise the captain that they will report those players to Hornets Tournament Director</li> <li>3. File a report at the end of the game noting those players for the Hornets Tournament Director to action</li> </ol> <p>The practice of leaving the sub box to become involved in a melee, brawl or fight will be an automatic 4 match suspension.</p>
12.4	<b>Coach and Referee Communication – Mutual Respect Policy</b>
	All members be they referees, coaches, players, office-bearers and/or spectators have an obligation to be conversant with this protocol and both the Hornets, NSWTA and TFA Member Protection Policy.
	Referees are instructed to <b>no longer engage</b> with the player, coach, manager or official and will walk away from any possible confrontation reporting the same to Hornets Tournament Director.
	The <b>signing of scorecard</b> will only take place by the <b>managers</b> of the teams. In the absence of managers for open/senior teams, the captains will be responsible for this. Should either try to engage the referees in discussion about the game or decisions in the game, the referees will

	immediately <b>stop</b> those discussions and direct the manager to Tournament Control. Any dispute of the score must be raised in writing at Tournament Control.
	All need to be advised that while <i>Rule 18 Player note A</i> will remain in force, referees have been instructed not to tolerate abusive behaviour from the substitution box during the game and deal with it appropriately should it take place, by removing a player from the field.
	<p>A player, coach, manager or official may not agree with the way a referee officiates a game, nor may he/she agree with decisions made, however there are proper procedures and avenues to handle such matters. Approaching referees after the game <b>is not the measure we allow</b>. We do however welcome feedback, reports or consultation under the proper guidelines.</p> <p>Should you have an issue with a performance of a referee you may:</p> <ol style="list-style-type: none"> <li>1. Consult, in a calm manner, with a State Referee Panel member.</li> <li>2. If necessary they will orchestrate a meeting with the referee, coach and panel member.</li> <li>3. Disputes or feedback are to be placed in writing and forwarded to the Tournament Manager at tournament control.</li> </ol>
	Breaches of the Mutual Respect Policy can incur a <b>suspension</b> and will be imposed under the control of the event. It may also lead to <b>possible fines for both the individual and affiliate</b> . Further to this they may find themselves before a judiciary whereby the penalties may be imposed. 12.4.7
	<p>The Board under the auspices of the Technical Director and Referees Director have a clear view to have coaches, players and referees all working in the same direction, however incidents of abuse and confrontational behaviour that may escalate cannot be allowed to continue. Hence the Mutual Respect Policy has now been engaged and put in place.</p> <p>The onus is on the Affiliate Coordinator and the Affiliate to <b>ensure all</b> personnel are aware of this policy. Ignorance of the same <b>will not</b> be accepted as a defence.</p>
	<p><b>Coaching Positions</b></p> <p>The only people that are allowed behind the score line are the coach or assistant coach or Manager. A Coach may position themselves at the end of a field. If they are at the end of the field they must remain at least 5 metres behind the dead ball line. Where a fence or spectator line or advertising signage prevents this, they must remain behind the fence or advertising signage.</p> <p>Any coach/manager positioned at the end of a playing field cannot issue any verbal or physical commands directly to the team they are observing and can only communicate to the team or other coaching/management staff in the interchange area by returning to the interchange area or by use of electronic communication equipment. Any person found to be disregarding this tournament rule will be asked to return to the interchange area. Coaches are reminded that they are under the jurisdiction of the tournament conditions, Hornets officials and the referees regardless of whether in the interchange area or at the end of the field.</p> <p>Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action.</p>
12.5	<b>Send Offs</b>
	Any player sent from the field for the remainder of the game will receive an automatic 2 match suspension unless the Judiciary or Disciplinary Committee considers further action.
12.6	<b>Period of Time</b>

	Any player who receives 2 “periods of time” throughout the tournament (not in the same game), will receive an automatic 1 match suspension. Every subsequent period of time will receive an automatic 1 match suspension.
	A player who is dismissed for 2 “periods of time” in the 1 game will be dealt with in the following manner: <ol style="list-style-type: none"> <li>1. Should the referee deem that both “periods of time” are not of a nature to warrant further suspension, the player, on the second offence will be sent to the end of the field for the remainder of the game. NO FURTHER action will take place.</li> <li>2. Should the referee deem the combined incidents serious enough, the player on the second offence will be sent from the field of play. In this instance the player will receive an automatic 1 match suspension.</li> </ol>
	A suspension of 1 or 2 match is to be served on the following 1 or 2 games in which the team actually plays. Byes do not count as a game played. A team that wins by a forfeit will count, however a team losing by forfeit, will not.
	A period of time applied to a player for a team offence will not be registered against an individual.
	In relation to players not moving forward off the line, the referee will warn the team to move forward. If they do not, the referee will penalise the offending team.  If they again do not move forward, the referee will remove a player from the field to the junction of the sideline and the five-metre line. The player will be able to return to the field of play once his/her team has possession. All participants need to recognize that this is not a “period of time” and will not be recorded on the referee’s card.
	Any player sent for a period of time, will remain at the end of the field for 2 completed sets of possession by both teams prior to being allowed to re-enter the field of play. Coaches and Managers need to be aware that this is the period a player will be off the field; the referee will still determine the length of the time depending on the severity of the offence.  Any infringement that will cause the touch count to restart, will simply be a continuation of that set. EG If a defender knocks the ball down or gives away a penalty on the third touch this does not constitute that this set has been completed, but rather is extended. Conversely, if an attacking player causes the infringement so that a turnover takes place on the 3rd touch this will constitute a completed set.
12.7	<b>Intercept Rule</b>
	On the change of position via an intercept, the first touch will be “ZERO touch”.

<b>SECTION 13: PROTEST, DISPUTES and DISCIPLINE</b>	
	<p>Protest and Dispute matters will be heard and determined by the Hornets judiciary panel.</p> <p>The judiciary panel will be chaired by the appointed delegate and include at least 2 further members.</p> <p>All judiciary matters will be handled via the Hornets Disciplinary Policy. Any hearings will be heard in accordance with the TFA Disciplinary Regulations.</p>
	<p>Protests and Disputes must be lodged in writing within 30 minutes of the conclusion of the event/game in question to the Tournament Director. At this time the protest and dispute will be assessed. If warranted it will progress to either the Judiciary Panel.</p>
	<p>The protest is to be lodged and signed by the Affiliate Coordinator.</p>
	<p>The protest will then be investigated by the Judiciary Panel and their decision will be returned to the Affiliate Co-ordinator.</p> <p>Any notice to be served on any person to attend a hearing must be served on the Affiliate Co-ordinator and any such service is deemed to be served on all parties or persons under the control of the Affiliate Co-ordinator.</p>
	<p>Hornets remind all parties that the following issues will not be open to appeal and/or protest and therefore formally advise all teams that they must be aware of this prior to the commencement of games:</p> <ul style="list-style-type: none"> <li>• Rule 18.2 – The Referee – The referee is the sole judge on matters of fact and is required to adjudicate on the rules of the game during play. The referee may impose any sanction necessary to control the match and in particular; award penalties for infringements against the rules.</li> <li>• Rule 18.3 – Authority of the Referee – Players, coaches and officials of both teams are under the control of the officiating referee.</li> <li>• A team found playing an unregistered player will be disqualified.</li> </ul>
	<p>If a team does not agree with the score on the score sheet, they are to lodge a protest. The following information is to be provided with the protest:</p> <ol style="list-style-type: none"> <li>1. Who tapped off</li> <li>2. The order the scoring occurred (including player numbers of both teams)</li> <li>3. The half time and full time score</li> <li>4. The Hornets issued score sheet.</li> </ol> <p>The opposing team will be called to verify the score. If they do not agree or in the event of inconclusive evidence, the score will be recorded as the score that the referees have recorded.</p> <p>Alternatively, video evidence can be provided and the evidence will be used if conclusive.</p>
	<p>All players sent from the field for the remainder of the game will be dealt with via the Hornets Disciplinary Policy and may be required to appear before a Hornets judiciary or disciplinary Hearing. The Hornets Disciplinary Policy and Procedure allows for the individual to take an early acceptance rather than appearing before a judiciary hearing.</p>
	<p>Any player, official or other member of an affiliate who is the subject of a complaint or report may be dealt with via the Hornets Disciplinary Policy and may be required to appear before a Hornets judiciary or disciplinary hearing.</p>

	In the case of a player being dismissed from the field of play for the remainder of the game the team manager is required to report to the Tournament Director no later than 30 minutes after the game from which the player was dismissed where they may be issued with a Notice of Hearing outlining details of the disciplinary hearing and a copy of the written complaint or report.
	Disciplinary Hearings will be conducted at the earliest possible convenience after provision of the report is handed to the team manager who will be responsible for passing the paperwork onto the player concerned.  In the case of a complaint or report being submitted on a player, official or other member, the Tournament Director will contact the affiliate co-ordinator who will be issued with a Notice of Hearing outlining details of the disciplinary hearing and a copy of the written complaint or report.
	It is the responsibility of each affiliate co-ordinator to ensure that all their players, officials and teams behave themselves during the competition. The Member Protection Policy is inclusive in all participant registration and is available from <a href="http://www.hornetstouch.com.au">www.hornetstouch.com.au</a> .
	On any written complaint that is made to the Tournament Director of conduct which is prejudicial to the interests or welfare of the association, its administration, the game of touch or on the part of any member of the association, the Board shall have the power to deal with such complaint and in the exercise of the power hereby conferred may disqualify, suspend, fine or otherwise deal with any person or body they find to have been guilty of such conduct. This power also extends to an official of Hornets citing an incident of conduct prejudicial to the sport of touch.

## SECTION 14: TRAVEL ARRANGEMENTS

Travel is to be arranged by the affiliate and their members.

## SECTION 15: DOPING POLICY

Hornets will enforce the TFA Doping Policy at their tournaments. The Australian Sports Anti-Doping Authority (ASADA) could (in accordance with their policy) random test any participant. Any indiscretions found will incur the penalties as prescribed in the TFA Doping Policy. This information can be obtained from the TFA website.

## SECTION 16: BREACHES OF RESPONSIBILITY

In the event that a participant or Affiliate breaches any responsibility as set down in the General Conditions or tournament specific Conditions of Entry documents, that participant or affiliate will be required to explain the breach to a duly convened meeting of the Board.

In accordance with the Hornets Constitution, the penalty that may be applied through the power hereby conferred may disqualify, suspend, fine or otherwise deal with any person or body they find to have been guilty of such breach.

Any rule breach not mentioned in this document will be subject to a fine as determined by the Board. Any appeal against the determinations of the Board is to be lodged with the appeal fee of \$200. Such appeal fee will be refundable upon the appeal being upheld.
